

TOWN OF BRIDGEWATER  
NEW BUILDING COMMITTEE MINUTES  
AUGUST 28, 2018

Draft

Meeting was called to order at 6:00 by Bruce Seely, Vice-Chair (Ellen arrived late)

Present: Bruce Maxham, Josh Maxham, Steve Tarleton, Nancy Robinson and Nope Martin

Visitors: Greg McKenney, Willis Engineering and Ralph Nimtz, NBF Architects

Josh moved to accept the minutes of August 7, 2018 as written. Bruce M. seconded the motion and motion carried.

Reviewed and discussed engineering drawings showing field elevations, various site locations for the new building, traffic flow and parking spaces for community room use and fire department.  
Goal is to get a preliminary plan with budget figures to present to the Selectboard and eventually to the voters.  
Discussion of storm water drainage and permit. Will need a catch basin.  
Greg reported that the soil borings should be done within the next 2-3 weeks.  
Ralph and Greg will keep each other posted of all ongoing developments.

Next meeting will be on September 11, 2018.

Being no further business, meeting adjourned at 7:50 pm.

Respectfully submitted,

*Nancy Robinson*
